## **MRINETWORK™ RANKED TOP FRANCHISE IN STAFFING** *Entrepreneur Magazine Names 2007 Franchise 500*

**Philadelphia – MRINetwork**, the world's largest search and recruitment organization, has again earned the number one spot in the staffing services category of *Entrepreneur's* "2007 Franchise 500 Rankings."

*Entrepreneur*, which has been compiling the list since 1980, bases the rankings on objective, quantitative factors such as financial strength and stability, growth rate and size of the system. They also take into consideration the number of years an organization has been in the business and the length of time it has been franchised. The resulting rankings are based on the cumulative scores each franchise earns.

"Our consistent performance as the number one staffing franchise is a testament to the efforts of our franchisees, as well as to the corporate organization that supports them," said Michael Jalbert, president of **MRINetwork**. "We are committed to providing the best processes, services and products to our network members to ensure that they continue to grow their businesses and increase their profitability."

**MRINetwork** also ranked 39<sup>th</sup> among "America's Top Global Franchises" and 57<sup>th</sup> in the overall "Franchise 500."
