MRINetwork^{TM} Names New Vice President, Financial and Strategic Planning
Seeks to Incorporate Multi-Industry Successes and Well-Rounded Leadership Skills

Philadelphia, PA – **MRI**Network, the world's largest search and recruitment organization, has named Evan Davis as its new Vice President, Financial and Strategic Planning. **MRI**Network, a subsidiary of engineering and IT outsourcing and professional staffing leader CDI (NYSE:CDI), has nearly 1,000 offices in 35 countries.

With his solid experience in finance and extensive background in business development and analysis, Davis will be responsible for all aspects of **MRI**Network's financial operations.

Davis joins the **MRI**Network from YUM! Global Brands, where he advanced through the ranks over the past 13 years, most recently serving as Chief Financial Officer/Vice President of the company's Canadian division. Previously, Davis was the Senior Director of Field Finance and Planning in YUM! Brands Dallas office.

"Evan's proven ability to transform franchise businesses at the national and international level makes him a perfect fit for **MRI**Network. His in-depth knowledge of all aspects of the franchise business will be of great value to **MRI**Network as we reaffirm our position in the recruiting business as the 'Experts in Global Search,'" says Michael Jalbert, President of **MRI**Network.

Davis, who recently relocated to his hometown of Philadelphia, received his Masters of Business Administration from Duke University and his Bachelor of Science in Systems Engineering from the University of Pennsylvania.

MRINetwork, which has been in business for over 40 years, was recently recognized by *Entrepreneur Magazine* as the number one franchise in the employment/recruitment category, a distinction it has achieved numerous times.
